A NOTE FROM CHRIS & DEB

Thank you for having us

Dear Christopher,

Thank you for inviting us to appraise 16/25-31 Hibiscus Lane. Holloways Beach is a suburb we know well, and a renovated townhouse a short walk from the sand is exactly what buyers here are looking for.

In the pages that follow we set out the recent sales we think matter most, who we believe your buyer is, how we would reach them, and the price range we recommend.

We would love the chance to look after the sale of your home. If anything in here raises a question, please call either of us directly.

Warm regards,
Chris & Deb Marsh

FINDING THE RIGHT BUYER

Who buys your home, and at what price

WHO WE EXPECT YOUR BUYER TO BE

Lifestyle buyers and downsizers

People who want a low-maintenance home a short walk from the beach and the cafés, without giving up a private outdoor space of their own.

Second-home buyers and investors

Buyers from Cairns and further south looking for a beach base that is fifteen minutes from the CBD and ten from the airport.

OUR PRICE GUIDE **$620K to $680K**

HOW WE ARRIVED AT IT

The three sales on the previous page sit between $465,000 and $655,250. The closest in size and quality to your home, 21/16 Guava Street, sold for $615,000 in March. The 3-bedroom townhouse at 34/7 Hibiscus Lane is slightly superior and larger, and sold for $655,250 in August.

With the renovation, the private garden and the walk to the beach, we believe the right buyer will pay in the range of $620,000 to $680,000.

THE MARSH DIFFERENCE

Why Marsh Property?

Marsh Property is a boutique agency run by husband and wife Chris and Deb Marsh. We have been selling homes in Cairns for more than 20 years, and when you list with us, you deal with us directly from the first conversation to settlement.

RATE MY AGENT: AGENT OF THE YEAR, HOLLOWAYS BEACH

Multiple winner, including 2025

A boutique agency with a hands-on approach

A specialised, personal service that is sometimes lacking with larger franchise agencies, or those who hand your property to staff to show and manage once the listing is signed. With Marsh Property, you deal directly with us, start to finish.

A unique husband-and-wife team

One of us is always available. Chris and Deb work together on every listing, so you get two experienced local agents for the price of one, with double the coverage and a shared commitment to your result.

A buyer database we call before the market sees it

We hold an active database of buyers across the Cairns region who have told us what they are looking for. Before your home reaches the open market, we call the ones whose search fits.

HOW WE WILL MARKET IT

A campaign built around beach living

Your home sells on the lifestyle it offers: the outdoor living, the privacy and the walk to the beach. Every part of the campaign is built to show that.

Photography and floor plan

Professional photography that captures the decks, the outdoor bath and the garden, and a floor plan that makes the split-level layout clear at a glance.

Written to tell the story

Listing copy that leads with how it feels to live there, rather than a list of room sizes.

Reaching buyers beyond Cairns

A Premiere listing on realestate.com.au, where around 90% of our sales come from, puts your home in front of buyers searching nationally as well as locally.

Our database and social following

Before launch we contact the buyers on our database whose search fits, and run a Coming Soon campaign to our social media followers. An example of those posts is on the next page.

Inspections

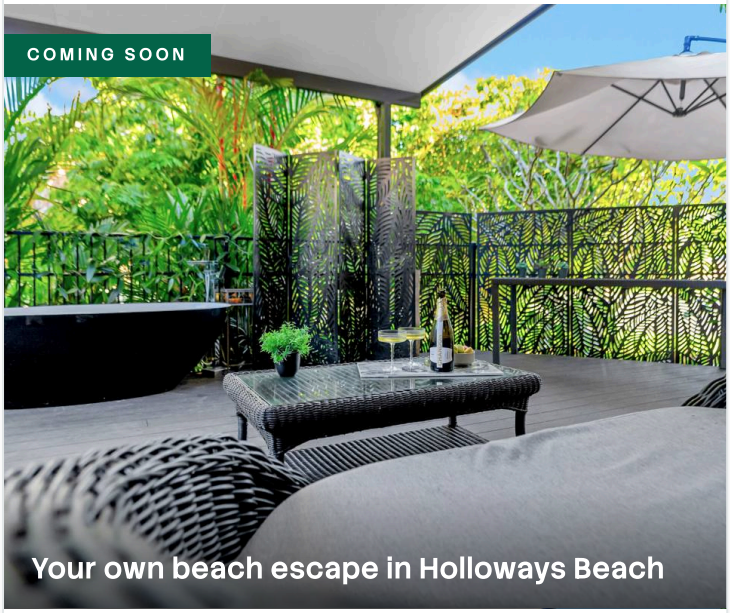

Open homes and private inspections by appointment, so every serious buyer gets to see it.

HOW WE WILL MARKET IT

Social media, ready before launch

Your home goes in front of our followers on Instagram and Facebook before it reaches the portals. These are the posts we prepare in ListingMate for your approval. Nothing goes out until you have seen it.

★★★★★

"We put our property in the hands of Chris Marsh because we felt he understood the market thoroughly and as a local agent was committed to his clients. We were very happy with his efforts on our behalf and felt that he appreciated our attachment to the house we were leaving. The result was a selling price we were satisfied with and a buyer we felt was a perfect fit."

★★★★★

"We had a great experience selling our house with Chris & Deb Marsh of Marsh Property. Both were very supportive in the process leading up to the sale and gave us great advice on preparing the house for sale. Their knowledge of the area & their list of people meant the house sold in a week. We were super happy with the outcome & could not have asked for better service. Thanks Chris & Deb."

Verified seller review · realestate.com.au

★★★★★

"Both Chris & Deb were excellent to work with for the sale of our property. Their communication was excellent & Deb even helped style our property for sale. We were updated at every stage of the sale & after one open house sold straight away, for a great price in the current market. We would highly recommend them."
